

GDST Admissions Policy

The admissions policy of the Council of the Girls' Day School Trust (the "GDST") is that:

- The GDST is committed to equal opportunities in education and does not unlawfully discriminate regarding entry. Admissions to GDST schools will adhere to the GDST's Equal Opportunities Policy
- The GDST is firmly committed to offering a single-sex education for girls. In our experience, students in girls' schools are less constrained in their choice of subjects, show a greater propensity to take risks and innovate, perform better in examinations, have more opportunities to show leadership, and are less likely to conform to gender stereotypes. For these reasons, GDST parents and students choose a predominately single-sex environment over other available options
- GDST schools are broadly selective. Places are offered to prospective pupils on the basis of their potential to thrive in the educational environment provided
- Admission is usually dependent on achieving an acceptable standard in an assessment or examination appropriate to the age group and academic pace of the school. The assessments and examinations will be accessible to all candidates, with people from all backgrounds able to participate fully.
- Due consideration will be given to prior educational experience in making any decision on the offer of a place. In exceptional circumstances, schools may adjust their established selection processes, provided that there is sufficient justification in doing so and the alternative procedure adheres to principles of equality, fairness and transparency.
- Reasonable adjustments to entrance assessments will be made for applicants with special educational needs and/or disabilities in order that all applicants are assessed fairly. Parents are required to provide full details to the School upon application if their child has external or in-school learning support, an educational psychologist's report, an Education, Health and Care Plan (EHCP), a disability, allergy or medical condition, to enable the School to make provision, if appropriate. A place will only be offered if the school believes that it can appropriately support a pupil's learning or other needs effectively and that admission is in the best interests of the applicant.
- Special consideration may also be granted in exceptional circumstances (e.g. prolonged illness or bereavement).
- The school relies on the integrity of the admissions procedure and therefore the truthfulness of the information provided by the applicant's parents, as well as the requirement to disclose any information to the school which may be relevant to the application process such as any learning difference or disability. Where relevant information is not disclosed or proves to be false or misleading the school reserves the right to withdraw the offer of a place which may have been granted, deny the applicant admission, or where a child has already been admitted, request that the child is withdrawn from the school.
- There is no automatic right of transfer from one Trust school to another; however, the transfer of existing Trust pupils between Trust schools, for example as a result of relocation or the need for boarding facilities, may be arranged. Where places are available in the relevant year group, priority over external applicants will be given to

pupils transferring from another Trust school, subject to other suitability criteria being met. Trust pupils not initially successful in securing a place may where possible be given priority over other external candidates on the waiting list. A transfer cannot be made to any of the Academies sponsored by the Trust.

- The final decision regarding admissions rests with the Head. There is no right of appeal against their decision.
- The school reserves the right to refuse entry to a pupil whose parents have, in the past, failed to meet in full their fee obligations to the school in relation to another child already enrolled at the school.
- A pupil (other than a boarder) must reside with her parent/s or legal guardian while attending the school, or with someone else approved by her parent/s or legal guardian and the Head. Pupils whose parents are overseas must have an educational guardian in the UK and parents must notify the school of the name and address of the guardian.
- A pupil must have the right to study in the UK for the duration of her enrolment at the school. The school will request evidence of this during the admissions process, normally in the form of a British or Irish passport or valid visa documentation. The school reserves the right to rescind an offer where the right to study cannot be evidenced.
- As set out in the Trust's parent contract, continuity of education is anticipated throughout each age range and transfer at key stages will be automatic unless, in the opinion of the Head, the pupil will not benefit from continuing to be educated at the school or has not attained a sufficiently high standard of work or behaviour for continuation or for entry to the next stage.
- Each GDST school sets out in its registration the age range of students it is legally allowed to make provision for. Major age range changes are subject to approval by Council. Admission will last until the student completes year 13 unless the parent contract comes to an end sooner.
- Within these guidelines schools may determine their own admissions policies, which will set out their individual selection criteria.
- Information provided as part of an application will be held on file with due regard to data protection legislation. The privacy notice available at www.gdst.net/privacy-notice explains what information is collected and how it is used.
- Applicants should be registered by or with the agreement and understanding of the applicant's parents, including, where parents are separated, each parent with parental responsibility. Each parent with parental responsibility will ordinarily be entitled to information regarding their child's application (unless, for example, there is a court order that suggests otherwise).

This policy shall apply to all GDST schools, save for Academies sponsored by the GDST.
